

# 2008 AUSTRALIAN JUNIOR CHESS CHAMPIONSHIPS

Cranbrook School, Sydney  
Bulletin 2 – 15<sup>th</sup> January, 2008

Editor: Heather Huddleston

## Rain Clouds and Early Tournament Hiccups

One of the many virtues of the humble chess game that should be espoused more often is the sport's ability to surge forward regardless of the day's weather forecast. The grey, smothering blanket of clouds spread over Sydney could not mar the enthusiasm and gusto of the Championship's participants, who ushered in the second round of the tournament with the sound of pieces stampeding across the chess board.

The second round culminated in some interesting upsets in the Under 12 divisions. The second seed of the Under 12 Girls, Caroline Shan, was defeated by sixth seed Joanne Mason whilst third seed of the Under 12 Open, Yi Liu, succumbed to Andrew Pan.

The Under 18 Open remained upset free on the top boards with Sebastian Jule's win over William Xu constituting the biggest upset of the round. The top seeds of the Under 18 Girls also enjoyed an upset free day however the tournament will heat up when the top seeds begin to clash with each other in the next couple of rounds. Unfortunately one player in the Under 18 Open was forced to forfeit the match, which

contained a perpetual check on the board at that moment, as a consequence of the said player's mobile phone going off during the game. This incident should serve as a reminder for all players to switch off their mobile phones during game time, otherwise a similar fate may be suffered!

The bulletin room would like to thank Ronald Scott and Sarah Anton for entering games on day one as well as Sam Grigg and Andrew Brown's efforts during the course of day two. A preliminary thank you will also be sent to Shervin Rafizadeh for volunteering his services for day three, four, five, etc. The dwellers of the bulletin room would further like to advertise the wonderful facilities within this spacious and lavishly furnished room to all unoccupied players and spectators who find that they have spare time on their hands. A couple of the enticements offered by the room include: sturdy computers to input completed games, extremely effective air-conditioning, the company of persons, who have a penchant for bubbly banter, and perhaps even a tin of butter cookies! It would be very much appreciated if people could pop by the room to help enter some games.
