Dear Principal or Chess Coordinator,

## Primary Schools One-Day Chess Tournaments Riverina and Murray Regions

The NSW Junior Chess League is pleased to invite your school to participate in either of the following One-Day Chess Teams Tournaments:

<p><b>RIVERINA REGION</b> (Wagga Wagga) Wednesday 10 August 2011 Sturt Public School White Avenue, Wagga Wagga</p>	<p><b>MURRAY REGION</b> (Albury) Thursday 11 August 2011 Hume Public School Parkland Crescent, Lavington</p>
--	--

**TIMES:** 9.15 a.m. until 2.30 p.m.

**TEAMS:** Three players per team

**ENTRIES:** Enter online or by fax, mail or phone on or before Friday 5 August

The tournaments are part of a series of primary schools tournaments which we are conducting around the state and will be similar to the two popular tournaments we held in these areas last year.

These one-day tournaments are particularly suitable for schools and players new to competitive chess, although those that have been taking part in our weekly interschool teams competition are of course welcome too. There is **no entry fee** thanks primarily to the generous support of **Accor Asia Pacific** and members of the Accor group.

**ACCOR**  
Hospitality

**Playing Standard:** Your players do not have to be experts! They will, however, need to understand the basic rules of chess and competitive play. The rules of competitive play are on our website, [www.nswjcl.org.au](http://www.nswjcl.org.au) (click on **Schools** and then click on **Rules** under the heading **Primary Schools One-Day Tournaments**).

**Number of Teams:** The number of teams will be limited by the size of the venues, so we suggest you send in your entry quickly to ensure a place. **Multiple teams** from the one school will be accepted, if numbers and space permit. From past experience we expect that we will be able to accommodate up to five teams, possibly more, from schools wishing to enter them – provided that entries are received by the closing date.

**Supervision, etc.:** Although we shall be providing supervision throughout the day we ask that each school arrange for an adult to stay with the children during the day – this could be a teacher or a parent. In previous years these tournaments have attracted interest from the media. Please ensure that your players have media permission to be photographed or interviewed for television and newspapers (or let us know which do not).

**Why Chess?** The educational benefits of teaching chess to young children are now well recognised, having been demonstrated by research carried out in many countries. A paper summarising this research (Dr Peter Dauvergne: *A Case for Chess as a Tool to Develop our Children's Minds*) may be found on our website.

Chess is becoming increasingly popular in schools throughout NSW. Last year 1073 teams from 266 schools took part in the 33 district tournaments of the One-Day series. This year over 1020 teams (of four players) are competing in our weekly Primary Schools Competition, including teams from 15 schools in the Riverina.

**How to Enter:** Please either enter online via our website or use the entry form below and fax or mail it as soon as possible (no later than Friday 5 August). To enter online go to our website [www.nswjcl.org.au](http://www.nswjcl.org.au) – click on “Schools” in the menu on the home page and then on “Entry Details” under the heading “Primary Schools One-Day Tournaments” at bottom left). You may enter teams in either tournament (or even both, but we ask that these be different teams, with each player participating in only one tournament).

**Enquiries:** Richard Gastineau-Hills, phone (02) 9412 4579 or email [RichardGH@bigpond.com](mailto:RichardGH@bigpond.com).

Yours sincerely,

*Richard Gastineau-Hills*
