Dear Principal or Chess Coordinator,

## Lower North Coast Primary Schools One-Day Chess Teams Tournament

The NSW Junior Chess League is pleased to invite your school to participate in the annual Lower North Coast One-Day Chess Teams Tournament:

**WHEN:** Friday 7 September 2018

**WHERE:** Westport Public School, Widderson Street, Port Macquarie

**TIME:** 9.15 a.m. until 2.30 p.m.

**TEAMS:** Three players per team

**ENTRIES:** Enter online, email or by fax to reach us no later than Wednesday 5 September

The tournament is one of a series of primary schools tournaments which we are conducting around the state and will be similar to the tournaments we have held in Port Macquarie in recent years.

Our one-day tournaments are particularly suitable for schools and players new to competitive chess, although those who took part in our other interschool competition in June are of course welcome too.

**Free Entry:** Although we no longer have the sponsorship that has helped us finance these tournaments for many years we are still able, at least for this year, to run them **without charging an entry fee**.

**Playing Standard:** Your players do not have to be experts! They will, however, need to understand the basic rules of chess and competitive play. The rules of competitive play are on our website, [www.nswjcl.org.au](http://www.nswjcl.org.au) (click on **Schools** and then click on **Rules** under the heading **Primary Schools One-Day Tournaments**).

**Number of Teams:** The number of teams will be limited by the size of the venue, so we suggest you send in your entry quickly to ensure a place. **Multiple teams** from the one school will be accepted, if numbers and space permit. We expect to be able to accommodate up to four or five teams, possibly more, from any school wishing to enter them – provided that entries are received by the closing date.

**Supervision, etc.:** Although we shall be providing supervision throughout the day we ask that each school arrange for an adult to stay with the children during the day – this could be a teacher or a parent. In previous years our tournaments have attracted interest from the media. Please ensure that your players have media permission to be photographed or interviewed for television and newspapers (or let us know which do not).

**Why Chess?** The educational benefits of teaching chess to young children are now well recognised, having been demonstrated by research carried out in many countries. A paper summarising this research (Dr Peter Dauvergne: *A Case for Chess as a Tool to Develop our Children's Minds*) may be found on our website.

Chess is becoming increasingly popular in schools throughout NSW. Last year 887 teams from 199 schools took part in the 28 district tournaments of the One-Day series. This year over 800 teams (of four players) have been participating in our other main Primary Schools Competition, including teams from 23 schools in the North Coast Region.

**How to Enter:** Please either enter online via our website or use the entry form below and email, fax or mail it as soon as possible (to reach us no later than Wednesday 5 September). To enter online go to our website [www.nswjcl.org.au](http://www.nswjcl.org.au) – click on **Schools** in the homepage menu and then on **Entry Details** under the heading **Primary Schools One-Day Tournaments** (bottom left).

**Enquiries:** Craig Ainsworth, Westport Public School, email [craig.ainsworth@det.nsw.edu.au](mailto:craig.ainsworth@det.nsw.edu.au), phone (school) 6583 2944.

Yours sincerely,

*Richard Gastineau-Hills*
